

SADHIYA ZAINAB Z

ABOUT ME

I'm Sadhiya Zainab Z, a 3rd-year student focused on web development and AI. I've worked on 2 software projects and 1 hardware projects, which gave me practical experience in both software and hardware. I enjoy learning new things, solving problems, and working well in a team while paying attention to details.

EDUCATION

SCHOOL

Vels Vidyashram

2008 - 2023

BACHELOR OF ENGINEERING

PSVPEC

2023 - 2027

SKILLS

- Full Stack Development
- Python
- C / C++
- JAVA
- Neo4j

SOFT SKILLS

- Leadership
- Teamwork
- Communication
- Innovation

PROJECTS

PORTFOLIO

A personal portfolio website showcasing my skills, projects and technical expertise.

It highlights my work in web development, AI, hardware and interest in building real-world applications.

SMART PRODUCTIVITY PLANNER

A web application to organize daily tasks and improve time management.

- Implemented task creation, prioritization, and tracking features
- Designed a responsive and user-friendly interface

SPEECH TRANSLATOR

An AI-based application for real-time speech-to-text translation.

- Converted voice input into text using speech recognition
- Enabled multi-language translation for better communication

SMART PILLOW

An IoT-based system to monitor and enhance sleep quality.

- Used sensors and ESP32 to track sleep patterns
- Integrated temperature control and data display features

CERTIFICATIONS:

- Cambridge English Assessment in PET (Preliminary English Test).
- Internship Certification in AIML
